

Do you want to work in a creative, fun, and exciting team atmosphere? Would you like to work for an established company with an excellent reputation? Are you passionate about environmentally sound products and practices? Are you ready to take your career to the next level?

Contraload, since August 2020 part of Tosca (www.tosca ltd.com), has grown to become the expert and market leader in pooling load carriers in a B2B environment, across Europe with service centers to support customers in over 25 countries. Tosca's recent acquisition of Polymer Logistics in December 2019 & Contraload in August 2020 has made us a global leader in pooling of reusable packaging solutions that service the supply chain end to end. Re-use is the key word as the Tosca family of businesses facilitates moving away from single use packaging towards a circular model of reusable packaging with its robust portfolio of containers, pallets, and bins.
