

*At CONTRALOAD we help to create more sustainable supply chains all over Europe since 2004. With our head office close to Antwerp and affiliates in Italy, UK, Spain, France, Germany, Poland and Turkey, we have grown to become the expert and market leader in pooling of plastic load carriers in a B2B environment. Supporting 3000 customers in over 26 countries, we offer the biggest European network for pallets and IBC's.*

To expand our Operations team in Aartselaar (Belgium), we are currently recruiting a competent and motivated

## Transport Planner South (m/f)

### YOUR CHALLENGE

You will be responsible for the transport planning of our assets within the French-speaking markets. You communicate professionally with our logistical partners and internal stakeholders. You negotiate pricing and by optimizing our transports, your aim is to reduce freight costs and help decrease our CO2 footprint.

In this position you'll be part of an enthusiastic team that works together on the continuous improvement of the service and performance of the Operations department, which is responsible for currently over 1 Mio assets in our pool. Together with your team you work towards maximizing our service-level and customer satisfaction. That way you have a varied function that offers new challenges every day.

### YOUR PROFILE

- Your motivation and ability to learn is more important than years of experience. An initial work experience in a logistical function is a plus. A passion for logistics is a must.
- You like to work in a well-structured way with a no-nonsense attitude. You show a proactive and hands-on attitude and you like to work in an independent way.
- You are well organized and handle your administration in a transparent way.
- You are a real team player who shows initiative and you have a healthy level of self-confidence.
- You have a good knowledge of the MS Office applications with a focus on Excel.
- Perfect French skills (preferably native) are a must together with a good level of English. Dutch to communicate within the team and any other languages are a plus.

## OUR OFFER

As our new Transport Planner South you will have a permanent contract and a competitive remuneration package in line with your knowledge and experience, incl. fringe benefits such as meal vouchers, ecocheques and insurance.

You will be part of a young and fast growing company with a multinational team. We take pride in our green service and encourage our employees to participate in our growth and help us co-define the path to success. With approx. 35 people working at the Belgian office, team-work is central and we offer a warm and relaxed atmosphere in our open-space office.
